

HASP Virtualization Key Authorization Letter

This letter is to serve as an official statement of Authorization from _____
(*the undersigned*) that I _____ (*the undersigned*) have a legal right to
virtualize the HASP USB Key that corresponds with a specific software application to which I
own a perpetual license and would like to purchase the appropriate engineering services
required to create that virtualized version of the HASP USB Key.

I _____ (*the undersigned*) have read, reviewed, and understand all
legal provisions and requirements as specified under Title 17 of US Copyright Law Circular 92.

Furthermore, I am officially stating that I have downloaded, read, reviewed, and understand
Title 17 of US Copyright Law Circular 92 directly from
http://www.aloyecomputer.com/ace2008/techdocs/2010_US_Copyright_Law_Title17_Circular_92.pdf,
and after such analysis am signing this document so that it may serve as my official
declaration stating that I am legally authorized to virtualize my HASP USB Dongle, and am
therefore issuing authorization to perform the engineering and technical services required to
virtualize that HASP USB Key.

Since I _____ (*the undersigned*) with or without the assistance of an
attorney have determined my legal rights under Title 17 of US Copyright Law Circular 92, I
_____ (*the undersigned*) assume any and all liability that may or may not
fall within Title 17 of US Copyright Law Circular 92 as it relates to the engineering and
creation of the virtualized version of my HASP USB Key.
